X-Connect Accessories
TM

Make the most of your battery charger.

More ways to charge with plug-n-play accessory options.

Permanently mount eyelet connectors on multiple vehicles, or make hard-to-access batteries easy to charge. Charge through the 12V auxiliary or OBDII port from inside a vehicle, or simply extend the reach of your accessories. Whatever the case may be, X-Connect creates a **solid weatherproof connection** that provides **maximum current flow** and makes interconnecting different applications fast and easy. The possibilities are endless.

12V

Compatible w/ cigarette lighter sockets, 12V aux ports & more. Also connect directly to your battery or a 12V power source.

Heavy Duty Design

From custom engineered strain reliefs to heavy gauge wire, NOCO accessories are dirt, water, UV, & impact resistant.

16 AWG

Made from a high-conductivity 16AWG 100% copper wire encased in flexible insulation, built for maximum current flow.

Premium Materials

Built with molded strain reliefs and durable, high-performance insulated wire for flexibility in cold weather environments.
